

**The Man Who Sold the World - Nirvana**

We passed upon the **1** .....  
We spoke of was and when  
Although I wasn't there  
He said I was his friend  
Which **2** ..... as a surprise  
I spoke into his eyes  
I thought you **3** ..... alone  
A long long time ago  
Oh no, not me  
We never lost control  
You're face to face  
With the man who sold the world  
I **4** ..... and shook hand  
And made my way back home  
I searched for **5** ..... and land  
For years and years I roamed  
I **6** ..... a gazeless stare  
We walked a million **7** .....  
I must have died alone  
A long, long time ago  
Who knows?  
Not me  
I never lost control  
You're face to face  
With the man who sold the world  
Who knows?  
**8** ..... me  
We never lost control  
You're face to face  
With the man who sold the world  
Thanks, that was a David Bowie **9** .....  
What's next?  
I didn't **10** ..... it up, did I?  
Okay, but here's another one I could screw up  
What is it?  
Am I **11** ..... do this by myself?  
Yeah, he should do it by himself  
Do it by **12** .....  
Okay, well  
I think I'll try it in a different **13** ....., I'll try it in a normal key  
Yeah  
If it sounds bad, these people are **14** ... gonna have to wait  
Do you have a **15** .....?  
Okay
